

Hair Addict's are popping up across the nation thanks to Michelle Cleveland

Everyone is becoming a "Hair Addict" thanks to Celebrity hairstylist Michelle Cleveland and her newest salon called Hair Addict Salon & Extension Bar located in Toms River, NJ.

PRLog - Sep. 23, 2014 - TOMS RIVER, N.J. -- The fully loaded salon is open and ready for business after renovating and giving it a complete 360 degree makeover. The salon is fully staffed with highly trained, educated and professional certified stylists that provide specialty services such as cutting, styling, coloring, hair extensions and more. Their Extension Bar uses the Hairlocs Hair Extension System that starts with 100% human hair from Europe. The hair is applied using a simple, unique method by a certified stylist. Unlike other methods, the process uses no braiding, sewing, heat or glue and is safe and painless to apply.

Over the years, Michelle's repertoire of clients throughout the U.S. has grown tremendously and doesn't seem to be stopping anytime soon. She has worked with many celebrity clients such as singer/actress/song writer Christina Milian, Real Housewife of New Jersey Nicole Napolitano, Mob Wife Renee Graziano and many more. She has also had her work featured on TLC's "Homemade Millionaire", Style Network's "Glam Fairy" and fashion accessory designer Stefany Dimanno's website to name a few. Her work has also awarded her the privilege to work on editorial

shoots and production sets and occasionally travel to private locations when needed. Michelle and her team also do group events both on site and off site locations such as weddings, sweet sixteen and etc.

The official grand opening celebration will be held on October 16th at 7pm at the Hair Addict Salon & Extension Bar located at 1490 Route 37 E. Toms River, NJ 08754. If you would like to make an appointment with Michelle and her staff, please feel free to call the salon during business hours at 732-288-2929. About Michelle Cleveland:

Michelle herself is a celebrity hair stylist, extension artist and an educator who has been in the hair industry for the past 19 years. Her career began in the beauty industry as a manicurist. She quickly fell in love with doing hair, but came across one big problem....she wanted more. In 2001 Michelle discovered extensions and the rest was history. Michelle studied and trained in the art of advanced cut and color in such cities as London, Miami, and New York and has multi-certifications with advanced academies such as Vidal Sassoon, Toni & Guy and Wella.
